

Districts of Assam 2024

The total number of districts in the state of Assam as of now is 35. It is a state located in the north-eastern region of India. It is connected with the rest of India by a narrow corridor called 'Siliguri Corridor' or 'the Chicken's Neck'. It runs for about 56 km below the foothills of Bhutan and Sikkim.

Many times, what happens is that when someone asks us how many districts there are in Assam, we are left blank. There is always a lingering confusion as to whether there are 32 districts or 33 districts, let alone 35. Now, to overcome that problem, we have prepared a table below where we have included the list of all 35 districts of Assam, along with the headquarter. If you are a student or someone willing to know about the districts of Assam in 2024, we hope this will definitely help.
